**Q: I've purchased a Ticket Package. Now what?** A: Thank you! Volunteers will bring you your sponsor party box to the local address you provided Feb. 11 or 12 via contactless, personal delivery. From there you can participate online solo, with family or friends, and from near or far. We encourage you to share about our event with others, bid on auction items (**auction** closes Feb 12 at 9 PM), purchase raffle tickets (purchase **raffle** tickets by Feb 11, drawing will be during the day Feb 12 and winners will be notified via email provided), play the wine and jewelry pull (purchase **wine and jewelry pull** tickets by Feb 12) and tune in for our **video program** on Feb 12 at 6:30 PM. Like and share our social media content, and above all, feel great knowing you're making it possible for children to overcome social and emotional challenges by receiving the interventions and support they need. All content will be shown on [www.theharrisschool.org](http://www.theharrisschool.org).

**Q: What should I do for the night of the event?** A: One way to celebrate is to host a watch party. Not sure who or how many to invite? We suggest you review your area's local department of health and CDC guidelines before making any plans. Safety first! Then, 1.) Ask guests to mark their calendars for February 12. 2.) At 6:30 PM, head to [www.theharrisschool.org](http://www.theharrisschool.org) and from the homepage, click on Share the Love video to be taken to the event page. Our clickable video will appear at the top of the page. 3.) Encourage guests to pre-register to bid on the auction and to purchase tickets for the raffle and wine/jewelry pulls. We wouldn't want them to miss out on the fun and the chance to win some great prizes! Charitable contributions are encouraged should they feel inspired to do so. It's a fundraiser, after all! Any size gift matters and will make a difference.

**Q: What are some ideas to make my evening more fun?** A: *Share the Love* is the perfect reason to share some of the things you love most. Maybe you have been burning to fire up one of those triple slow cookers ... Maybe you have a Pinterest board full of charcuterie spreads a recipe for an exquisite smoked salmon canapé that will look stunning when you place it on one of your grandmother's antique china platters... Or maybe you'll order from the pizza place just down the block and change out of your sleeping sweatpants into your daytime sweatpants. The themes and ways to celebrate are endless! We're just glad you're with us, and we can't wait to hear what kind of fun you have planning a party with a purpose.

**Q: How do I share my own photos & video?** A: Yes, please do! You can email them to [paiger@theharrisschool.org](mailto:paiger@theharrisschool.org) and/or post them on social media with the hashtag #TheHarrisSchool. We'd love to see you!

If you are hosting a watch party, the event will begin no earlier than 6:30 PM on February 12. We'll keep it posted for at least 4 weeks afterward.
